If you're anything like us, there's a special place in your heart for that find of finds, the authentic natural blonde. Brunettes and redheads are fantastic, sure; and there's even something fun about scoring with the blonde whose carpet doesn't match her drapes, because she bought her golden locks in a bottle. Even so, there's something truly wonderful about pulling those panties down and finding a thatch of fine, natural blonde hair crowning a pretty pink pussy. It just makes the mouth water...

Cherry Poppers

Amateur girls spread their virgin pussy for the first time!

petite

Are you a young woman with dreams of appearing as a model in *PETITE?* Hey, maybe you're a guy who's dying to see your wife or girlfriend naked in a titty magazine! Send in at least 10 nude snapshots and you could earn up to $300 for your hot naked photos! Submit materials to: Petite Cherry Poppers, 14411 Commerce Way, Suite 420, Miami Lakes, FL 33016.

Raven

If you wanted to make time with sexy Raven here, you'd better chow down some energy bars because this is one lady who's hard to keep up with! The tiny diva loves the L.A. scene, where she was born and raised, and these days the 23 year old beauty is running around working as an exotic dancer, a model, *and* an actress! Those succulent measurements of 34B-22-36 would certainly be worth chasing around, but you'd probably need to spend all your time at the movie studio or at the nudie bar. Actually, that doesn't sound all that bad, does it!

"I'm always kind of busy," Raven admits, "but I promise, I'm worth the effort if you're nice to me."

Michelle

Cherry Poppers

Amateur girls spread their virgin pussy for the first time!

petite

This little blonde sounds like our kind of girl, as the pretty 19-year-old admits to being a complete exhibitionist, flashing her mouth-watering tan lines whenever she gets the chance. You little minx!

"I've been posing nude since the morning of my 18th birthday, and I share the pictures with almost everyone," Michelle tells us. "I love to dance at parties and break the ice with new people by removing my top on the dance floor. Lots of girls hate when I do it, but the guys don't seem to mind at all!"

Michelle is originally from Delaware, and the blonde beauty stands 5' 8" and weighs 120 lbs. These days she works as a waitress, and says her ultimate fantasy would be to have sex with her boyfriend and another couple. "I've never done the swapping thing or been part of an orgy," Michelle admits. "Boy, I'd really like to try that some time!"

Valerie

Here we have yet another sexy waitress in Valerie, a 26 year old import from Eastern Europe who doesn't look a day over 20. These days the pretty brunette is serving drinks and food at one of Las Vegas' finer gentlemen's establishments, and Valerie says she loves serving and taking care of men more than anything.

"Right now I am single," Valerie says, "but someday soon I hope to have a man fall in love with me so we can get married and I can take care of him. I really enjoy that! Hopefully if I get married I can quit my job and be a homemaker. And maybe have children if my husband wants them."

Holy Stepford Wife! Does this chick sound sweet or what! Lovely Valerie stands 5' 6", weighs 115 lbs., and measures in at 34B-25-35.

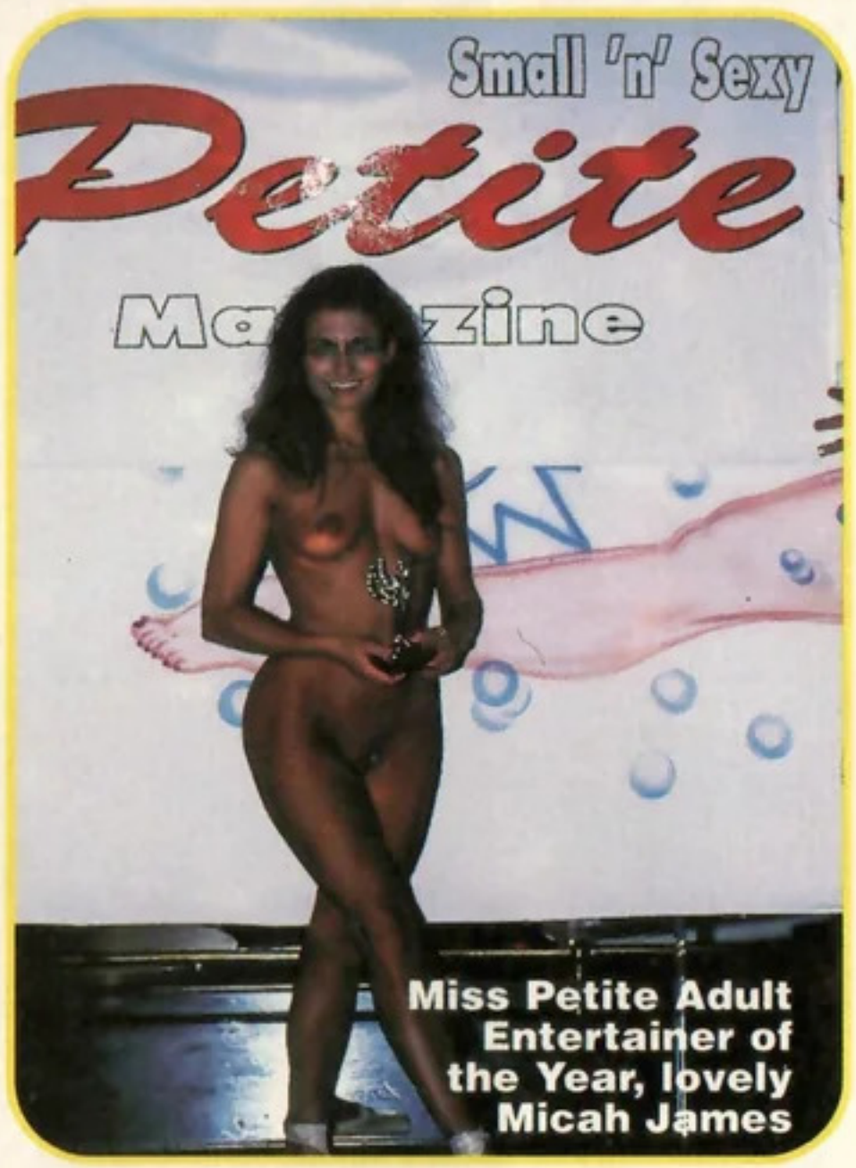
We know she's always been a fitness fanatic, but somehow Devon Michaels gets even stronger and sexier every time we see her!



Miss Petite Adult Entertainer of the Year, lovely Micah James

When she's not playing Dorothy, Rayne is just plain naughty!

Perky little Angel is blessed with some serious tits on a very small chassis. She took us inside the locker room of the Dallas Cowboys' Cheerleaders and showed everybody just how nasty a cheerleader can get. She also showed us how true-blue a Cowboy fan she is by covering most of her body with blue paint!

Jade is arguably one of the best feature dancers among the current roster of touring professionals. One of her patented moves is to leap into the air and drop to the stage in a full split, and it always brings a gasp from the audience. Both nights her

You might think a girl partying naked on the job would get her fired, but then you'd be something of an idiot. Ava's boss, being a red-blooded American male, had no problem with her behavior whatsoever.

"My boss is in his early 40's and still single," Ava explains, "so he loves it when me and my girlfriends hang out after we close the park. We all get drunk and dance and skinny-dip and fuck, and it's really like we have paradise all to ourselves! We've had some wild times this summer, which is why I really want to get these pictures in *PETITE*. I never want to forget what a great time I had here."

No problem, Ava. With photos like this, you don't need to ask twice...
